If submitting multiple pieces, please number them, or have it clearly indicated which is which.

Open size and medium, but we always ask that you be considerate with sizing for group exhibitions so we can fit them on the wall. For very large pieces, please get in touch prior to submission/drop off.

Whether canvas or framed, art must be able to be hung on the wall using our hook system, so please avoid frames with very small hooks on the back as they don't fit.

Hooks/wire can be attached on the back for \$5 per artwork.

Artworks must be submitted with all artwork details.

Please also write/attach this information on the back of the piece (minus price) so the purchaser has your details with the artwork.

We take a 20% commission on artworks sold. Please include this in your price.

Group exhibitions are open to non-members with a fee of \$10 per artwork

Artworks must be dropped off by the due date mentioned in exhibition details.
This allows us enough time to curate and hang the exhibition.

Unsold artworks are to be collected with the week after the finish date of the exhibition.
